### FIELD DAY

### FRIDAY, JUNE 21

**To help this fun event run smoothly, please:**

- \* Send in a towel with your child on 6/21.
- \* Put sunscreen on your child before school.
- \* Have your child arrive at school when the bell rings at 8:45 am.
- \* We will get wet. If you want your child to have dry clothes for their ride home, please send them to school with a change of clothes in their backpack.
- \* Let us know ahead of time if your child will be a pickup at noon dismissal that day.

### SPELLING

Today is the last spelling test of the year!

### SUMMER

**The MOST important thing every second grader can do over the summer is continue reading!** I cannot emphasize that enough!

Beyond that, we do have optional summer packets available in **ELA** and **math**.

Students who complete one or both packets will receive a very special customized gift from me when they return the work to me in September.

To avoid wasting paper, I will not be sending a packet home with every student. If you would like one, please let me know.

## **THIS IS MY LAST NEWSLETTER FOR THE YEAR!**

I will be sending home an update on your child's end-of-year assessments on Monday.

In this update, I will let you know if I recommend that your child complete one or both of the summer work packets mentioned above.

Thank you for all that you have done throughout the year to support your child's learning! I have greatly enjoyed working with this class. It will be hard to watch them leave the last day of school, but I know that they are going on to do great things upstairs in third grade!!
